

USA Track & Field – Pacific Northwest

64TH ANNUAL OPEN TRACK & FIELD CHAMPIONSHIPS

In two parts – Wednesday, June 6, and Wednesday, June 13, 2018
Shoreline Stadium, NE 185th St & Fifth Ave NE, Shoreline, WA

Eligible athletes: females 14-and-older, males 16-and-older, and must be current USATF members (membership available on-line at www.usatf.org or using a paper form either evening at the stadium.) If athletes are members in an Association other than USATF-Pacific Northwest, they are eligible for awards and prize money only if USATF-Pacific Northwest is the only Association championships in which they participate.

Entry: As part of the **50th Annual Club Northwest Summer All-Comers Track & Field Series**, events are integrated into the regular schedule spread over two Wednesday nights. You can wait to enter at the meets, but the most efficient way to handle your entry will be to enter on the link on the Club Northwest web site at clubnorthwest.org so that – at the entry gate – all you need to enter the stadium is the receipt. Fees are the same as the regular fees for participation in the championships – the difference is your USATF membership. A separate table at the entry to the meet will be used for athletes participating in these championships who need to join or renew USATF membership.

Points cup / prize money and event schedule: Events which will be considered for the points championship will be offered once during the two Wednesday night meets. Our schedule is:

June 6		June 13	
<i>Some events are split between weeks so we can handle one gender at a time:</i>	<i>These events are offered only on this week in our normal event rotation:</i>	<i>Some events are split between weeks so we can handle one gender at a time:</i>	<i>These events are offered only on this week in our normal event rotation:</i>
Women’s High Jump	Women’s 400m Hurdles	Men’s High Jump	Women’s 100m Hurdles
Men’s Pole Vault	Men’s 400m Hurdles	Women’s Pole Vault	Men’s 110m Hurdles
Women’s Long Jump	Women’s 200-meter Dash	Men’s Long Jump	Women’s 100-meter Dash
Men’s Triple Jump	Men’s 200-meter Dash	Women’s Triple Jump	Men’s 100-meter Dash

Men’s 400-meter Dash	Men’s 3000-meter Run	Women’s 400-meter Dash	Men’s 5000-meter Run
Women’s 800-meter Run		Men’s 800-meter Run	

All performances in the above events which are made by eligible USATF-Pacific Northwest Championships’ participants will be scored on the IAAF Event Scoring tables. The top five overall performances across all events will be awarded first through fifth \$500-\$400-\$300-\$200-\$100.

Additional awards: The top three finishers in each event will be awarded Association championship ribbons or medals. The awards table will be on the infield behind the clerking station.

Participation by masters and eligible high school athletes: Open championships are intended to serve the open athlete community in each Association who are post-high school and not yet of masters’ age. USATF Competition Rules allow for all females 14-years and older and all males 16-years and older to compete in open events. However, all athletes competing in Open Championships must compete where applicable using implements and hurdle heights and spacing designated as open or senior in the rule’s definitions.

Identifying our participants: Other details for the Championships will be the same as competing in the All-Comers series, in that you enter events at the entry desk and check in in a timely manner at the field event area or the clerks. AT THE TIME YOU SIGN UP OR CHECK-IN, indicate “PNTF” on the form so that you are scored in the results for the championships.

Information contact is Bill Roe, PNTF Open Chair and All-Comers Series Director
